Proceedings of the Madras Government, Revenue Department,
26*th July* 1872.

No. 220. Read the following Proceedings of the Board of Revenue, dated 10th July 1872, No. 1,261 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to the Secretary to the Board of Revenue, dated 3rd June 1872, No. 1,170 :—

I HAVE the honour to return the blank form of Sanad received with the Board's Proceedings, Miscellaneous No. 1,024, dated 9th February last.

2. The particulars for which blank spaces were left have been filled in.

3. The details of the villages comprized in the estate of Muttyalapad, referred to in the form as "hereinafter named" are given in the enclosed statement. The Board will observe that there have been five different sets of villages and hamlets returned from time to time. The Kandukur Tahsildar, who was directed to inquire into the matter carefully, states that the names of the villages and hamlets, as returned for the census accounts, are correct. These names may, therefore, be entered accordingly.

4. There is no provision made in the form for exhibiting the details of instalments. Formerly, there were eight nominal instalments for the old peishcush of Rupees 3,850, as detailed below :—

	RS.	A.	P.
September	481	4	0
October...	481	4	0
November	500	8	0
December	500	8	0
January	500	8	0
February	500	8	0
March	500	8	0
April	385	0	0
Total...	3,850	0	0

5. But, as the old peishcush was really made good from collection of russums, these instalments do not appear to have been enforced at any time. The number of instalments and the dates on which they should be held due should be definitely settled. At present, I am collecting interest from the Zemindar only when he falls in arrears after the end of the Fasli, as the question of instalments has not been decided.

ENCLOSURE No. 1.—Statement.

ENCLOSURE No. 2.—Form of Sanad.

A COPY of the Sanad duly filled up will be submitted to Government for execution with reference to paragraph 3 of their order, dated 17th December 1866, No. 3,403.

	RS.
1st December	667
1st March	667
1st June	666
Total...	2,000

2. The Board consider that the kistbundy may be fixed as shown in the margin, and the Collector will take a kistbundy agreement from the Zemindar accordingly with reference to paragraph 1 of the Sanad when it is duly executed and returned to him for delivery.
