

Proceedings of the Madras Government, Revenue Department,
30th July 1872.

No. 253. Read the following Proceedings of the Board of Revenue, dated 26th July 1872, No. 1,425 :—

Read the following letter from W. S. WHITESIDE, Esq., Acting Collector of North Arcot, to the Secretary to the Board of Revenue, dated Palmana, 17th July 1872, No. 309 :—

In acknowledging the receipt of the Proceedings of the Board, dated 3rd instant, No. 1,184, I have the honour strongly to recommend that permission should be granted for the gratuitous distribution of Quinine in the portions of this district most exposed to attacks of fever, such as Palmanair, Venkatagherry-cottah, Cangoondy, Chendragiri, Kallur, etc. The population in these places are, as a rule, extremely poor, and wholly unable to afford the purchase of so expensive a drug as Quinine. If Collectors were allowed to distribute a certain quantity of the medicine gratuitously every year there can be little doubt but that hundreds of lives would be saved annually.

SUBMITTED to Government with reference to Board's Proceedings, dated 3rd July 1872, No. 1,184.

No. 254. ORDER THEREON, 30th July 1872, No. 1,138.

Miscellaneous.

THE Collector already possesses the general discretion to distribute medicine gratuitously when necessary which he solicits.
