Proceedings of the Madras Government, Revenue Department,
1st August 1872.

No. 1. Read the following Proceedings of the Board of Revenue, dated 16th July 1872, No. 1,331:—

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 19th June 1872, No. 97:—

WITH reference to the Proceedings of the Revenue Board, No. 761 of 11th May 1872, I have the honour to transmit, herewith, a plan and estimate of Rupees 2,480, for securing the requisite wards for subsidiary Jail prisoners, in the Coimbatore Taluq Cutcherry, and for providing better accommodation for the Tahsildar and Sub-Magistrate, and an Office for the Deputy-Registrar of Assurances, as well as a Cook-room for the prisoners; prepared under the direction of the Superintending Engineer, after our personal inspection and concurrence. It will be seen that we have altered the position of the Records, and Treasury box, and given the Tahsildar a more suitable Court-room. The extension is at the back of the building, so that the divergence from the original plan, which had inadequate space, is not seen.

The Treasury box enclosed with iron bars, is in sight of the Guard room, the old Post Office room has been assigned to the Shroff, a palisading has been added to exclude persons from the verandah in front of the cells.

2. Should the Board approve of the alterations, I beg that the plan and estimate may be forwarded for the sanction of Government, and provision of funds as an emergent work.

ENCLOSURE No. 1.—Plan.

ENCLOSURE No. 2.—Estimate.

SUBMITTED for the sanction of Government.

No. 2. ORDER THEREON, 1st August 1872, No. 1,144.

Miscellaneous.

BEFORE sanctioning this estimate for Rupees 2,480 for providing for the accommodation of short sentenced prisoners inside the Taluq Cutcherry, the Government desire to know why the former suggestion for converting the unused "ryot shed" into a lock-up is abandoned. A sketch showing the position of this out building relatively to the Cutcherry with note of its dimensions should be submitted.
