SIR,—In continuation of my letter dated 22nd December 1871, No. 2,162, I am directed to forward the papers noted in the margin, illustrating the progress of the effects of the drought and failure of crops in the Ganjam District.

2. This Government apprehend distress from high prices and inability to purchase food rather than from any failure of supply to the markets. They fear also lest the able-bodied poor, who have begun to emigrate, may leave their feeble and helpless dependants behind them without any sufficient provision. It will be observed that recourse is already being had to wild roots for food.

I have the honour to be,
Sir,
Your most obedient servant,

(Signed) W. HUDLESTON,
Secretary to Government.

Exd. F. R. Bantleman.
