PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 11th April 1872.

Read the following

No. 10/2

From

*G. D. Leman Esq.,
Acting Collector of the Kistna District*

To

*J. Grose Esq.,
Secretary to the Board of Revenue.*

Sir,

Madras.

In their order dated 26th January 1871 No 179,
Government, at the recommendation of the
Board sanctioned Rupees 2412-4-6 as
compensation to Inamdars for the land taken
for public works purposes deducting out of
this Rupees 6-4-0 the portion debitable to
Local Funds, the Superintending Engineer
was requested to remit Rupees 2406-0-3
sanctioned by Government to this office.

2. He having expressed his inability to
comply with this request, a bill for the amount
was forwarded to the Controller, in order
that the payments might be made from
the Treasury after he had passed it,
but

but the Controller declined to do so without allotment, and suggested that the funds should be drawn from the Superintending Engineer.

3. The Superintending Engineer, informs me again that he has no funds.

4. The Accountant General, who, after all this, was addressed as to the course that should be adopted, suggests that an application should be made to Government for a formal appropriation of Public Works Budget credit in view to enable the Controller of Public Works Accounts to pass the bill. I have accordingly the honor to request that the Board will be pleased to make such applications to Government, as the Inamdars have now been waiting for their money for more than 2 years.

5. A portion of the amount sanctioned is for lands taken for what were termed then Imperial roads. Government having already sanctioned the payment of compensation from

from Imperial funds, and as the charge arose before the Local Fund Act was passed, it appears clear to me that the Local Fund Board should not be saddled with the expense.
