Mis: exo. 5590.-

Proceedings of the Board of Revenue
Dated 19th. August 1872.

Read the following

No. 154

From,

W. P. Austin Esqre.
Actg. Head Assistant Collector,
In charge

To,

James Grose Esqre.,
Secretary to the,
Board of Revenue,
Madras.-

Sir,

I have the honor to state that some of the Karnams appointed at the new organization of the Village Establishments in this District are not provided with the measuring chains. These chains were furnished to the different Village and Taluq Officers at the time of the settlement, and a few of them seem to have been lost from various causes. The total number of chains now in the posession of the several Village and Taluq Officials throughout the District is 682, while the number actually required is 847* as per margin. Since it

*Karnams 809
Revenue Inspectors 17
Deputy

it is of the greatest importance that all the Karnams and the Revenue Inspectors, Deputy Tahsildars and Tahsildars should be furnished with such chains, I have the honor to request you will be good enough to move the Board to order 185 chains more for this District.—

Deputy Tahsildars 5

Trichinopoly Collector's Office
26th July 1872.

I have &c.
(sd) W. P. Austin
Ag. Asst Collr
in charge

---

1. Submitted for the sanction of Government.

2. Measuring chains were supplied to Village and Taluq Officers by the Director of Revenue Settlement in 1860. a few of them are stated to have been lost. Under Government Order dated 29th January 1860 No. 133, any Karnam losing a chain must be required to replace it at his own cost, but considering the time that has elapsed since the last supply was made, the Board are not disposed to enforce the rule and accordingly

accordingly recommend to Government that sanction be accorded for the purchase of 185 chains as proposed by the Collector.

3. The cost which is not likely to exceed 350 Rs can be met from general savings under Land Revenue Contingencies.—
