Proceedings of the Madras Government, Revenue Department,
9th August 1872.

No. 86. Read the following Proceedings of the Board of Revenue, dated 2nd August 1872, No. 1,484 :—

Read the following letter from R. K. PUCKLE, Esq., Collector of Tinnevelly, to the Secretary to the Board of Revenue, dated Courtallam, 20th July 1872, No. 309 :—

THE Board are aware that the extension of the Great Southern of India Railway will run through this district for a distance of 100 miles. I have been urged to hand over the land with all practicable despatch, and have spent much of my time lately in making needful arrangements for the acquisition of the section between Tinnevelly and Tuticorin; the remaining section, from Maniachi to the Madura frontier, has yet to be acquired.

2. Though I have some Settlement hands available, and have conducted this work before in another district, I still find that I cannot attend to this and the many other miscellaneous calls on my time and attention without neglecting the current routine of a Collector's duties, and I therefore request that an officer may be deputed to this district to make over the land required for the railway.

SUBMITTED for the favourable consideration of Government.

2. The Board are satisfied that the aid sought is necessary and recommend the appointment of a Deputy-Collector for the work.

No. 87. ORDER THEREON, 9th August 1872, No. 1,188.

Miscellaneous.

THE Collector is requested to nominate a Tahsildar for this special duty and to suggest arrangements for temporarily supplying his place.
