RESOLUTION.—The Governor-General in Council sees no reason for allowing the distribution of the five per cent. commission on the collection of Basses Light dues amongst the Customs Officers in addition to the salaries drawn by them. The duty is one that may be fairly required from them, and His Excellency in Council is, therefore, of opinion that, from the beginning of 1872-73, the commission should be credited to Government.

Ordered that a copy of the foregoing Resolution be forwarded to the Governments of Bengal, Madras, and Bombay, the Comptroller-General, and the Accountants-General, Bengal, Madras, and Bombay.
