*Proceedings of the Madras Government, Public Works Department,
4th September 1871.*

No. 44. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Goodibundah, Mysore Taluk, Bellary District, 12th August 1871, No. 923:—

WITH reference to G. O., No. 141 dated 22nd April 1870, (Miscellaneous,) communicating the orders of Government, the Revenue Department regarding the employment of Local Fund Overseer for Imperial Works, I have the honour to submit the following for the consideration of Government, and to request their orders as I find those orders do not clear the present case.

2. Mr. Wade, Taluk Overseer of Pullumpett, in the Cuddapah District, proceeded on one month's privilege leave on the 1st July 1871, and before the expiry of this leave submitted a medical certificate for three months' sick leave, but pending further reference this latter description of leave (which will also include the former, and which will have to be commuted to sick leave,) has not yet been granted. During Mr. Wade's absence the Local Fund Overseer has had charge of the whole of the works of the taluk, and it must be manifest that he must be continuously travelling about and for what purpose has to maintain suitable equipage, I request to know if, under the circumstances, the Local Fund Overseer may be granted double horse allowance or travelling allowance, whichever he is entitled to under the rules, for the period he is in charge of the taluk.

No. 45. ORDER THEREON, 4th September 1871, No. 2,250.

ESTABLISHMENT, No. 5.

to pass to the Local Fund Overseer in charge of the Cuddapah District the travelling expenses of an Overseer on the Imperial Establishment, during the time that he is employed on his present duties, the Imperial Fund should be debited with as much of the allowance as may be in excess of the amount chargeable to the Imperial Fund.
