

*Proceedings of the Madras Government, Revenue Department,
21st August 1872.*

No. 189. Read the following letter from the Assistant Secretary to the Government of India, Financial Department, to the Secretary to the Government of Madras, dated Simla, 10th July 1872, No. 1,047 :—

REFERRING to my letter, No. 1,297, dated 23rd February 1872, I am directed to inquire whether it is likely that the returns of expenditure on reproductive irrigation works, which were called for in the despatch of the Secretary of State, No. 303, dated 31st August 1869, will be furnished on an early date. I am to inquire whether it would not suffice if the information respecting the expenditure on canals and other irrigation works, and the direct and indirect revenue from them, which was submitted to the Public Works Department of the Government of India in the documents quoted on the margin, could be re-cast in detail of districts in the form prescribed by the Secretary of State, and whether the area irrigated from anicuts, etc., in each district could be given ?

No. 190. ORDER THEREON, 21st August 1872, No. 1,240.

Irrigation, No. 5.

FORWARDED to the Board of Revenue for report with copy of the papers quoted in the last paragraph.

(True Extract.)
