23rd August 1872.*

No. 202. Read the following Proceedings of the Board of Revenue, dated 19th August 1872, Miscellaneous No. 5,735:—

Read again Board's Proceedings, Miscellaneous No. 5,204, dated 30th July 1872.

Read also the following letter from the Inspector-General, Indian Medical Department, Fort Saint George, to the Secretary to the Board of Revenue, dated 2nd August 1872, No. 4,936.

I HAVE the honour to acknowledge the Board's Proceedings of the 30th ultimo, and beg you will inform the Board that Assistant Apothecary G. B. Fonceca has well earned the honorarium of Rupees 300 which Mr. Master has recommended.

2. I concur with Mr. Master's opinion that Assistant Apothecary Fonceca's labours have done much to commend the European art of medicine to the people amongst whom he has been employed. I early observed that such would be a result of his exertions, and recently recommended to Government to re-employ him also in Tilingana, in order to spread amongst its people a similar belief.

The Board resolve to submit these papers to Government with the request that the special honorarium of Rupees 300 to Mr. Apothecary Fonceca may be sanctioned. Mr. Fonceca's services were placed at the disposal of the Board's Acting Second Member when he was deputed to Ganjam; and he was employed not merely in treating the sick but also in the distribution of relief. Mr. Thornhill fully endorses what Mr. Master has written; and in his report dated 10th February 1872, brought Mr. Fonceca's services to the notice of Government, who were pleased, in their Order, dated 29th idem, No. 353, to direct that their approval should be conveyed to that Officer.

No. 203.

ORDER THEREON, 23rd August 1872, No. 1,247.

Miscellaneous.

THE Governor in Council readily sanctions payment of the proposed donation of Rupees 300 to Mr. Fonceca as a special allowance in recognition of his good service on special duty in Ganjam.

Sir, Madras

In forwarding copy of
letter addressed to the Inspector
General, Indian Medical Depart-
ment, dated 20 June 1872, No. 1009,
on the occasion of the departure
of Mr. G. H. Ferreira Assistant
Apothecary employed on special
duty in connection with the
recent scarcity, I have the honor
to request that the Board will
obtain the sanction of Government
for the grant of this office,
who has performed very meritorious
service and undergone
unusual hardship of an honor-
arium fee of Rupees three hundred
calculated at Rs 50 per mensem

for the six months he was in the District. I think it only fair that this small additional allowance should be given him in acknowledgment of his exertions which have probably done more to command European Medical treatments to the Orissas than half a dozen Dispensaries.

has been permitted to return to Madras by the steamer leaving Gopalpore on the 21st instant.

2. Mr. Ferreira's merits are I believe known to you. He has commended himself to the people of this country in a remarkable manner and by his skill and courtesy combined has made a most favorable impression wherever he has gone. I propose requesting the sanction of Government to a special allowance being made him for the time he has been on special duty here.
