Acting Collector of the Arch.

Acting Director of Public Affairs.

To

Secretary to the Court of Auditors.

Secretary to the Court of Auditors.

SIR,

Addressing to Court's Proceedings
dated 22^d ultimo No 3706, I have the
honor to state that Captain Rogers the
Acting Principal Civil Engineering Officer
in his letter dated 24th Idem informs
me that no student of that College is permitted
to take independent charge of works
connected with the Minor Estate of
Arni.

2. I quite concur with Captain Rogers in supposing that the services of some experienced subordinate of the D.P.W. should be placed at my disposal.

3. I therefore request, that you will be good enough to obtain the sanction of
the

the Court for appointing one from
P.W.D. as I am not aware of
any person who can be entrusted
with the works in this Estate. I request
the Court with appointments and orders
hitherto forthwith.

4. I herewith forward a copy of letter
received from Captain Rogers.

From Captain A.J. Rogers. R.E.
Acting Principal C.E. College.

To W.S. Whiteside Esq.
Acting Mentor of North Street.

Sir
With reference to the Proceedings
of the Court of Wards under date 22nd
Instant, I have the honor to point
out to you that no student of this
College

College is immediately on leaving the
institution competent to take independent
charge of works of any importance such
as those connected with the Arma Jaghere.

The students on completing their course
of study though well acquainted with the
theory of engineering have no practical
experience whatever and to give any of
them sole charge of the irrigation works
of the Jaghere would be an unfair to the
Student as it would be prejudicial
to the interests of the Estate.

I would strongly recommend that
the services of some experienced Subordinate
of the Department Public Works whose
ability and integrity have been proved
in that Department should be temporarily
placed at your disposal.

The Court of Wards resolve to apply
to Government for the services, during
the

the time that the Atmi Etali may be under their charge, of J. Patnawali Mudali, now Overseer in the Vellore Range, who has been recommended by the Acting Superintending Engineer, and who it is stated is willing to serve under the Court.

2. Colonel Moberly informs the Court that there is a strong feeling prevailing that if a man is absent from the regular work of the Department of Public Works on the 1st October, there is danger that he may be overlooked in the reorganization of the Department which is believed to be impending. The Court therefore specially request that in the event of Patnawali Mudali's services being temporarily placed at their disposal, he may be retained on the strength of the Department and allowed a leave on his present or a similar appointment.

3. In order that his services may count for pension, he will be allowed a salary of Rs 125 per mensure, which will give him Rs 100, after the prescribed deduction on account of pension, and

and will receive house or travelling allowances in accordance with the rules of the D.P.W.
