Proceedings of the Madras Government, Revenue Department,
5th September 1872.

No. 15. From the Officiating Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 8th August 1872, No. 289:—

I HAVE the honour to acknowledge receipt of Order, No. 1,111, dated 22nd ultimo, and to submit that its confirmation by Government of India is required before Mr. Cardozo can draw the Rs. 750 which Government seems to intend to grant.

2. The Government of India Order quoted by the Superintendent of Revenue Survey does not create a special class, but says that, "if any of the Civil Officers are particularly deserving of an increase of salary, it may be specially recommended in their favour," and on such special recommendation in 1868, Mr. Cardozo's pay was raised accordingly to Rs. 550. If Government desire that his merits be recognized after promotion by the increased allowances sanctioned specially for Messrs. Puckle and Beaumont, I submit that the grant should be reported for the formal confirmation of Government of India. If there be any probability of the recurrence of a like case, sanction might now be obtained by anticipation.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

Miscellaneous.

SIR,—In the Proceedings of the Government of India in the Financial Department, dated 7th October 1865, No. 2,752, the proposals for substituting consolidated allowances of Rs. 750 and 550 respectively, for the appointments of Deputy Superintendent and 1st Assistant Superintendent, Revenue Survey, in lieu of the established rates including travelling allowance of Rs. 575 and 475 *plus* military pay, were considered and negatived as a general measure with the remark that, if any of the Civil Officers were particularly deserving of an increase of salary, it might be specially recommended in their favour.

2. In their Financial Proceedings of 22nd August 1868, No. 1,805, the Government of India sanctioned the proposal for placing Mr. Cardozo, 1st Assistant Superintendent, on the consolidated scale at Rs. 550 monthly pay.

3. On 12th December last, Mr. Cardozo was promoted to be a Deputy Superintendent, and this Government declared him still entitled on such promotion to the consolidated rate of pay proposed for that grade, viz., Rs. 750 monthly, as the effect of his promotion would otherwise be to *reduce* his pay proper from Rs. 550 consolidated to Rs. 500, *plus* the travelling allowance of Rs. 75 which would be excluded in calculating absentee allowances or pension.

4. The position is identical with that sanctioned for Messrs. Puckle and Beaumont as communicated with the endorsement of the Under Secretary to Government of India, Home Department, No. 1,658, dated 8th August 1866, but the Accountant-General considers that the decision needs the confirmation of the Government of India which I am accordingly directed to solicit.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary to Government.
