Proceedings of the Madras Government, Revenue Department, 22nd January 1872.

No. 250. Read the following Proceedings of the Board of Revenue, dated 21st December 1871, Miscellaneous No. 4,782:—

Read the following letter from the Acting Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 14th November 1871, No. 369.

ADVERTING to the orders conveyed in the Board's Proceedings dated 21st ultimo, No. 4,458, I have the honour, with reference to the case of Kandregula Venkata Row, the Sheristadar of Yernagudem Talook, to submit copy of a letter from Mr. Stuart, the present Sub-Collector, recommending for reasons therein stated his retention in the service. I beg to support this recommendation. Yernagudem Talook is, from its insalubrity, looked upon as a sort of penal settlement, and there is difficulty in meeting with men who are content to remain there. As Mr. Stuart's opinion coincides with that of Mr. Horsfall, who was for sometime Sub-Collector, I venture to hope that the Board will, in the interests of the public service, reconsider their decision in this case, and support the recommendation of the local officers.

2. Pending further orders from the Board I have instructed the Sub-Collector not to insist on K. Venkata Row's immediate retirement.

From [illegible] ART, Esq., Acting Sub-Collector, to the Godavery District, to the Acting Collector of the Godavery District, dated Cocanada, 10th November 1871, No. 223.

REFERRING to Board's Proceedings No. 4,458, dated 21st October, and your endorsement thereon, directing me to order the Talook Sheristadar of Yernagudem to retire at once, I have the honour to represent that I think this a case in which the rule should not be enforced.

2. I have seen Venkata Row, and am decidedly of opinion that he is perfectly capable, both mentally and physically, of at least five years' further service. He is one of the few men who have proved able to keep their health in Yernagudem Talook, and I doubt much if he could be easily replaced there by as efficient an officer.

3. I have issued orders in accordance with your endorsement, but think that the case might be again brought before the Board in reporting on the other officers concerning whom the Board have made inquiries.

As Mr. Stuart reports that he has lately seen Venkata Row, and is satisfied of his physical and mental ability; and as Yernagudem is described to be a talook for which there is difficulty in getting officers; the Board resolve to recommend that application be made to the Government of India for leave to retain him in the service for five years longer.

No. 251. ORDER THEREON, 22nd January 1872, No. 128.

Miscellaneous.

K. VENKATA ROW appears to be nearly, if not quite, sixty-four years of age. Under the circumstances stated

application will be made to Government of India for leave to retain his services as Talook Sheristadar and Sub-Magistrate of Yernagudem for a further period of three years.
