This is to certify that S. Raja Hussain
has been permitted to resign his appointment
of Inspector in the Police as his talents do not
lie in this line, there is nothing against his
Character and I do not doubt his capabilities
in some more congenial sphere.

Raja Hussein served under me as an Inspector of Police in the Kavali Taluk Mellore District for about six weeks, during which time he performed his duties to my entire satisfaction.

He was afterwards made resign by Captain Hawks Superintendent of Police but I do not know why - probably he did not come up to the standard of excellence required of a Police Officer, to which indeed no one in the District except himself was supposed to attain. I consider Raja Hussein to have been as promising an Inspector as any in the District, young, active, intelligent and trustworthy with some experience of Civil matters, in the transmission; and I think that with careful instruction & training he would become a very smart Inspector.

Sir,

With reference to G. O. dated 23rd January 1872 No. 136 communicated with Board of Revenue Miscellaneous No. 474 of 2nd February last, I have the honor to forward herewith copies of certificates from Capt Hawks and Lieut. Lugard from which it would appear that S. Raja. Nussain was asked by Capt. Hawks, Superintendent of Chellore, to resign his appointment of Inspector of Police. In his certificate Capt Hawks states Raja Nussain's talents do not lie in the Police line; that there is nothing against his character and that he may probably get

get on better in some more congenial
sphere. The other officer differs from
this opinion, and thinks that Captain
Nauke judged his subordinates by an
ideal standard. The break therefore
appears to be owing to Raja Kuesain's
unsuitness to hold the post of a Police
Inspector; but considering that this opinion
is contested by his predecessor in office,
and that it is certified that there is no
stain on Raja Kuesain's character, the
petitioner is perhaps entitled to some indulgent
consideration.
