No. 103. Read the following letter from the Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 13th September 1872, No. 360 :—

With reference to the appointment (notified in Gazette of 10th instant) of Mr. A. T. Arundel to officiate as an Additional Sub-Collector in Tinnevelly during the revision of the assessment of the district, I would take the liberty of inquiring if there is any objection to appoint him instead to officiate as a Deputy-Director of Revenue Settlement. There are three such appointments now vacant, whereas the post named in the order is in excess of sanctioned scale.

2. I may mention that the arrangement would be somewhat more favourable to Mr. Arundel, though it is suggested by me only to meet technical difficulties.

No. 104. Order thereon, 17th September 1872, No. 1,327.

Miscellaneous.

The Governor in Council observes that application has been made to the Supreme Government to sanction the arrangement gazetted, which, as Mr. Arundel is not to be employed on settlement duties, appears to be the more suitable.
