

Letter to H. J. M. ...
 17th September 1872

Proceedings of the Madras Government, Revenue Department,
 17th September 1872.

No. 108. Read the following letter from the Acting Sub-Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, dated Madras, 30th August 1872, No. 1,732 :—

I AM directed by the Board of Revenue to submit the accompanying Comparative Statement of Salt sales for Home and Inland consumption during the official year 1871-72, compared with the two preceding years, viz., 1869-70 and 1870-71, agreeably to the instructions contained in a letter from the Government of India, under date the 4th June, received with G. O. dated 2nd July 1852, No. 639.

Years.	Quantity sold in Indian Maunds.	Amount realized in Rupees.
	IN. MDS.	RS.
1867-68	6,653,956	108,73,390
1868-69	6,705,865	110,11,476
1869-70	6,384,210	115,35,909
1870-71	6,449,740	125,65,738
1871-72	6,653,472	129,99,049

2. The sales during the past five years are noted in the margin, from which it will be observed that during the year under report the sales have increased by about 3 per cent. compared with those of the previous year. This slight increase is owing to the ordinary fluctuations in the trade.

3. The variations in the trade in each district are noted in the margin. Only four districts exhibit a decrease.

In Vizagapatam and Kistna it was owing to a deficiency, for some time, of stock at some of the Kotars, caused by a decrease in the manufacture in consequence of excessive rains. In Madura, there were smaller sales owing to a large number of traders of that district having made their purchases in the district of Tinnevelly after taking cotton thither for export. In Chingleput, the decrease appears to be the result of the competition between the wholesale merchants of that district and of Tanjore for the inland trade served by the Railway.

4. The figures now reported for 1871-72 slightly differ from those entered in a Statement submitted to Government with Board's Proceedings, dated 17th May 1872, Miscellaneous No. 3,542, and recorded in G. O., dated 27th May 1872, No. 826. This is owing to a revision made by the Collector of Kistna in his accounts for March 1872, subsequent to the submission to Government of the Statement above referred to.

Comparative Statement showing the quantity of Salt sold for Home and Local consumption, its price per Maund, and proceeds realized from the sale in the several Districts of the Madras Presidency for the official years ending 31st March 1870, 31st March 1871, and 31st March 1872, respectively.
