Proceedings of the Madras Government, Revenue Department,
22nd January 1872.

No. 259. Read the following Proceedings of the Board of Revenue, dated 8th January 1872, Miscellaneous No. 219:—

Read the following letter from the Officiating Collector of Madras, to the Secretary to the Board of Revenue, dated Madras, 30th November 1871, No. 209.

With reference to paragraph 2 of the Board's Proceedings No. 4,553 of 31st October 1871, I have the honour to state that the Board have already submitted to Government, with their Proceedings No. 6,011 of 6th October 1870, a modified set of draft rules for carrying out the new system. It is only No. 5 of these rules that requires a slight modification, and I herewith submit a revised draft of it. A draft of the license I propose to issue to the Stamp Vendor, and of the agreement I propose to take from him is also submitted for approval.

2. In their Order dated 16th November 1871 the Government have sanctioned a permanent advance of Rs. 500 for the Stamp Vendor, and what I think remains to be done before the introduction of the change is the publication of the draft rules by Government after approval, and an intimation to the Judges of the Small Cause Court regarding the date from which they are to admit the ordinary Court Fee Stamps.

The revised draft of Rule V. is approved, as also the draft license and form of agreement to be taken from the vendor.

2. These Proceedings will be submitted to Government, with the request that the draft rules may now be published, and intimation given to the Judges as suggested by the Collector.
