

*Proceedings of the Madras Government, Revenue Department,
23rd September 1872.*

No. 148. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 22nd July 1872, No. 1,361 :—

With reference to G. O. No. 831 of 28th of May, 1872, and to paragraph 11 of the Board's Proceedings No. 1,067 of 21st ultimo, I have the honour to inform

you that the present establishment of the Conservator of Forests as per margin will still be required with a small increase of Rs. 25 to the pay of the Head Clerk, as the work of the Office has lately been increased, and will be much more so when the Forest Central Office is amalgamated with that of the Board's. The pay of the Head Clerk formerly was Rs. 100, *plus* 30 travelling allowance, per mensem, but it was reduced to 75 by G. O. No. 506 of 13th March 1863.

2. The present incumbent has been in the department for upwards of six years, and he has given every satisfaction both to Dr. Cleghorn and Major Beddome, also to myself since I took charge ; and I consider that he is fairly entitled to the increase recommended by Major Beddome in paragraph 18 of his letter No. 1,042 of 9th March last, recorded in the G. O. above stated, in which I fully concur. I further beg to add that I have known Vathagherry Naidoo, the present Head Clerk, for four years, and always found him a pains-taking, diligent, and active man.

3. Under these circumstances, I beg that Government may be pleased to sanction the increase solicited, in consideration of his good and long service and the dearness of this place.

No. 149. ORDER THEREON, 23rd September 1872, No. 1,352.

Forests, No. 12.

THE Government are not disposed to sanction additional expenditure for the purpose stated. The question of an increase to the pay of the Head Clerk in the Office of Inspector of Forests must be settled, with the revision hereafter of the establishment transferred to the Revenue Board Office, when experience has been obtained of the working of the new system.
