Proceedings of the Madras Government, Revenue Department, 25th September 1872.

No. 154. Read the following Proceedings of the Board of Revenue, dated 8th May 1872, Miscellaneous No. 3,335 :—

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 15th April 1872, No. 99.

With reference to Section 53 of the Civil Pension Code, I have the honour to submit a list of Uncovenanted Servants in this Collectorate who have attained or exceeded the age of 55, and whom I propose to retain in the service for the periods noted against their respective names.

2. I request the Board will submit the list to Government with their support, and obtain sanction for the proposed extensions.

3. Under these Rules ten parties have been made to retire, there being no special cause for retaining their services.

List of Uncovenanted Servants in the Collectorate of Malabar who having attained the Age of 55 are recommended for retention in the Service for further Periods.

No.	Office.	Name of Officer.	Present Age.	Period of Extension.	Grounds of Extension and Remarks.
1	4th-class Tahsildar of the Calicut Taluq.	Mamail Ramunni Panikar.	56	Two years from the 1st March 1872.	These three individuals have 34, 37, and 37½ years' service eligible for pension. They have not, however, become physically unfit to discharge the duties of their respective offices for some time more. No. 1 is the Tahsildar in charge of the Cusbah Taluq of Calicut under the immediate supervision of the Collector, and No. 2 manages the Tellicherry Cusbah under the superintendence of the Sub-Collector. They as well as No. 3 have discharged their duties satisfactorily, and are capable of doing so for some time longer. I am, therefore, of opinion that they may well be retained for a period of two years.
2	4th-class Tahsildar of the Kottiyam Taluq.	Chalaproth Karunagara Menon.	56	Do.	
3	Superintendent of Sea Customs at Cochin.	B. Frank	57	Do.	
4	Cash-keeper, Cannanore Civil Treasury.	Kunhi Koman Nair ...	61	.....	This man's qualifying service extends to 41 years, and he is one of those servants whose list was submitted to Board with this Office letter dated 20th July 1871, No. 183, as incapacitated by old age. It is under contemplation to abolish and incorporate the Cannanore Civil Treasury with that of the Cherakal Taluq, with reference to G. O. dated 9th October 1867, No. 3,118; besides, the Office of the Treasurer is one for which the holder is required to furnish satisfactory security for Rs. 10,000. The present incumbent has given this security, and is a wealthy man. If his services were to be dispensed with now, it would be difficult to find a competent man for the post for a short time, and to obtain the necessary security. The nature of the office is not such as to require much physical strength on the part of its holder, and as Kunhi Koman Nair is not unfit to continue in his post for some short time more, I recommend that he be retained until the treasury is abolished.
5	Head Shroff, Cannanore Civil Treasury.	Rengashenayi ...	61	Do.	Has also a service of 41 years, and though his retention in the service is unnecessary the remarks on the preceding case equally apply to this individual, as the office requires a security of Rs. 2,000. He has given this security, and I recommend that he be permitted to remain in the service until the proposed abolition of the Civil Treasury.
6	Sheristadar, Sub-Collector's Office,	Narath Sankara Marar.	57	2½ years from 1st March 1872.	This individual's qualifying period of service extends only to 22½ years. He was at first a Vakil in the Civil Court in which employment he had spent a few years before his entry in the Revenue Department. He is not so far incapacitated by age as to be unfit to continue in his post for some time more. He was for three years Manager in the Office of the Deputy-Director of Revenue Settlement, which post as well as the Sub-Division Sheristadarship which he has been holding for the last 8½ years, he has filled to the satisfaction of his superiors. He requires to serve two and-a-half years more before he will be eligible for a pension equal to half his pay. The Sub-Collector recommends that Sankara Marar be permitted to continue in his post for that period, and I fully concur with him in his recommendation.
7	English Head Accountant in the Collector's Office.	J. P. Cabral	58	2½ years from the 1st March 1872.	This man is a servant of 42 years' standing. His qualifying service, however, is only 22½ years owing to a break. He is well fit to his post for a few years more, and has hitherto given satisfaction in the discharge of his duties. He holds good testimonials of character and efficiency. The Deputy-Collector in charge of the Account Department strongly recommends Mr. Cabral's retention in the service.
8	2nd Gumastah, Ernad Taluq.	Kavungal Kunjunni Nair.	56	3 years from 1st March 1872.	Has a service of 34½ years, of which only 22 count for pension. The Tahsildar states that Kunjuni Nair labours under no physical disability from old age. I would, therefore, recommend that this servant be permitted to remain in the service until he completes 25 years' qualifying service.
9	2nd Gumastah, Kurumbranad Taluq.	Parambath Thamu Nair.	58	2 years from 1st March 1872.	This individual has served Government for a period of 37 years. Of this only 11 years are qualifying. Thamu Nair has not at all become unfit for further active service. I would recommend his retention in the service for two years, *i.e.*, until he completes 60 years of age.
10	Head Clerk in the Death and Birth Registration Department.	L. Ishwara Pattar ...	56	3 years from 1st March 1872.	This man's total period of service extends to 20 years, of which only 12 years are eligible. He has not become physically incapacitated by old age. The Assistant Collector Mr. Winterbotham, under whom Ishwara Pattar works, strongly recommends that he may be retained for three years. I fully concur in his recommendation, as I think it necessary that this servant should be allowed to continue in his post until he becomes entitled to a pension equal to a third of his present pay.

Proceedings of the Madras Government, Revenue Department, 25th September 1872.

List of Uncovenanted Servants in the Collectorate of Malabar, who having attained the Age of 55 etc.—(Concluded.)

No.	Office.	Name of Officer.	Present Age.	Period of Extension.	Grounds of Extension and Remarks.
11	1st Shroff, Ponani Taluq.	Bengajem Shetti. ...	58	2 years from 1st March 1872.	This is a case in which the total period of service extends to 33 years, of which only 11 years count towards pension. He is capable of performing the duties of his post for some time more, especially as the office is one which does not require much physical strength. I recommend, therefore, that he be permitted to retain his post until he completes 60 years of age.
12	1st Gumastah, Sub-Magistrate's Court, Tirurangadi.	P. Parangodasha Menon.	58	2 years from 1st March 1872.	This individual has served for a period of 33 years, but old age has not physically impaired him. I recommend that he be allowed to remain in the service until he attains 60 years of age.
13	1st Revenue Inspector of Cherakal Taluq.	Narana Row	56	2 years from 1st March 1872.	In this case the total period of service extends to 38 years, of which 28 years are eligible. The man is capable of continuing in the service for some time more.
14	1st Revenue Inspector of the Walluvanad Taluq.	Kondi Menon.... ...	56	1 year from 1st March 1872.	This is a servant whose total service in Government employ extends over 29 years. Of this, however, only 24 years count towards pension. He is not physically disqualified for further employment, and may well be retained until he completes 25 years' qualifying service.
15	Clerk, Sea Custom Office, Cochin.	Krishna Patter. ...	55	3 years from 1st March 1872.	This is a servant of 25 years' standing. His immediate superior, the Customs Superintendent, reports that he is far from being physically disabled, is capable of continuing in the service some time longer, and that he has hitherto discharged his duties with ability. I concur in the Superintendent's opinion, and recommend Krishna Patter's retention for the period noted.
16	Moochi, Collector's Office.	F. A. Pereira. ...	72	3 years from 1st March 1872.	This man is 72 years old and draws a salary of Rs. 15 per mensem. He has not become physically unfit for the discharge of his duties; and considering the nature of his duties, I recommend that he be retained for three years more.

SUBMITTED for the favourable consideration of Government.

No. 155. ORDER THEREON, 25th September 1872, No. 1,355.

Miscellaneous.

THE Collector's proposals are sanctioned subject to annual report as to the continued efficiency of the servants named. With reference to the concluding paragraph of the Collector's letter the Government observe that no servant should be required to retire unless there be good reason for so doing; otherwise retention should be the rule.
