To

H.S. Thomas Esqr
Collector of South Canara

Honoured Sir

Having heard that an appointment of Deputy Collector is to be newly created in Malabar & that a vacancy in the above grade is likely to occur in consequence, in Canara, I venture to submit these lines for your favorable consideration

Because you are aware that the Inspector General of Rice recommended me to Government for a post of Deputy Collector in January last & that they have retained my application for consideration

Although I have not had the good fortune to have served immediately under you, yet I humbly trust that the manner of my service in the Rice Department & the favorable opinion invariably entertained by my Departmental Superiors & the Magistracy together with the several tests I have passed, have sufficiently enabled you to form a correct Estimate of my deserts

In conclusion therefore, as I consider that

that my success greatly depends on your recommendation, as Collector & Magistrate of the District, I very respectfully pray that your Honor will be good enough to submit my name for the favorable Consideration of Government when making appointments of Deputy Collector in this or Malabar District or at least favor me with an Endorsement expressing your opinion as to my Capabilities & general fitness for that appt

With due respect
