No. 28. Read the following letter from the Officiating Inspector of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 23rd September 1872, No. 1,463 :—

I HAVE the honour to represent to Government that the Office Establishment of the Mudumallai forest was a temporary one when it was working under my supervision for the supply of Teak-timber for the Wellington Barracks. Major Farewell, the late Special Executive Engineer, informed me that the Head Accountant was borne on the strength of the department, as will be seen from the accompanying copies of correspondence which took place between us.

2. Major Farewell submitted a list of the establishment to the Chief Engineer, which is embodied in paragraph 2 of Colonel Bell's letter recorded in G. O. dated 4th April 1860, No. 691, wherein the Government have sanctioned the continuance of the establishment on the scale proposed by the Chief Engineer. As the forest has since been transferred* to the Special Department, it was considered desirable to include the scale referred to in the General Tabular Statement for the whole of the establishments of the Forest Conservancy Department; though the transfer of which to the Government of India was delayed by this Government for the reasons given in paragraph 7 of the letter dated 24th March 1862, No. 646, from the Secretary to Government, Revenue Department, to the Secretary to the Government of India. The latter Government sanctioned the Tabular Statement alluded to above in their Resolution dated 3rd May 1862, communicated in G. O. of the 14th June 1862, No. 1,312, when the employés of the Mudumallai forest were brought on the permanent establishment. A. Cundasawmy Moodelliar, the then Head Accountant of the Mudumallai Range Office, was, on the 1st November 1861, transferred in the same capacity to the Central Forest Office Establishment under the circumstances detailed in my letters recorded by Government in their Proceedings dated 17th March 1862, Nos. 588 and 589. I beg, therefore, to request that, with reference to the Resolution of the Government of India, published in the *Fort St. George Gazette*, dated 29th November 1870, page 1576, you will be good enough to obtain the formal sanction for reckoning towards pension the temporary service of that individual, namely, from 1st May 1858 to 31st October 1861.

* G. O., 16th July 1860, No. 1,521.

3. There are three other subordinates named in the margin, who were borne on the temporary Mudumallai Forest Establishment, and whose services should also be reckoned as qualifying for pension, from the fact of the temporary establishment having subsequently become permanent.

A. Shunmoogum Moodelly, from September 1859 up to 13th June 1862.
Cundasawmy Pillay, from April 1859 up to 13th June 1862.
Punchanadam Pillay, from May 1857 up to 13th June 1862.

Forests, No. 3.

THE maintenance of the Mudumallai Forest Establishment and the service of the individuals named, who were or are attached to it, having been continuous, there can be no question but that such service counts for pension.
