No. 38. Read the following letter from the Commissioner of the Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 28th August 1872, No. 51 :—

THE Manager of the Office of the Superintendent of the Cinchona Plantations was appointed in 1862 on a salary of Rs. 50 per mensem. In September 1866 Government raised the salary to Rs. 60. In October 1868 Mr. McIvor recommended that the salary of the Manager should be raised another Rs. 10 per month. The Government in their Order No. 279, dated 2nd February 1869, did not object to this increment, but stated it could not be immediately sanctioned, and directed the matter should be again brought forward after some months of the official year 1869-70, and that Mr. McIvor should, in his application, state whether the increase could be met from savings in the budget. The matter has since been in abeyance. Mr. McIvor has now addressed me the enclosed letter on the subject, and requests that the salary of the Manager may be raised Rs. 30 a month. He reports that the expenditure can be met from the general savings of the budget-estimate for the current official year.

2. I find that the Superintendent's Establishment originally consisted of a Manager and an Assistant Clerk on Rs. 20. The latter officer was transferred to the Botanical Gardens when they were separated from Mr. McIvor's charge (G. O. No. 343 of 27th February 1871).

3. The duties of the Manager are—

(*a.*)—The correspondence of the Cinchona Department, including the reports.

(*b.*)—Checking and preparation of the accounts of the department and their submission to the Accountant-General.

ENCLOSURE No. 1.

From Mr. W. G. McIVOR, Superintendent Government Cinchona Plantations, to the Commissioner of the Nilgiris, dated Ootacamund, 13th August 1872, No. 45.

I HAVE the honour to forward an application from Mr. McNair, my Office Manager, for an increase of salary. His salary was raised from Rs. 50 to Rs. 60 in September 1866. I recommended a further increase of Rs. 10 in October 1868, and the Government (*vide* G. O., 2nd February 1869, No. 279,) requested the subject to be laid before them again after the elapse of a few months, which, however, was not done.

2. In consequence of the reduction of the Office establishment, Mr. McNair has, since April 1869, to do all the work of the Office, and as the remuneration he receives is small, and nearly six years have elapsed since he received any increase, I would respectfully recommend, for the favourable consideration of Government, that he be granted an increase to his salary of Rs. 30 per mensem from the 1st September 1872. The proposed increase can be met from the general savings of the budget-estimate for the current official year.

From Mr. W. G. McNAIR, to the Superintendent Government Cinchona Plantations, dated Ootacamund, 9th August 1872.

I RESPECTFULLY solicit the favour of your being so good as to take such steps as you think necessary with the view of obtaining an increase to my salary.

2. In paragraph 2 of your letter to Government, No. 174, dated 31st October 1868, you were pleased, in consideration of the inadequacy of my salary, compared with the duties I had to perform, to recommend an increase to it of Rs. 10. The Government, in their order thereon of 2nd February 1869, No. 279, said that the subject was to be brought forward again after some months of the official year had expired; you have not since then drawn the attention of Government to this order in respect to the proposed increase to my salary.

3. The Office establishment, however, has since been reduced, and I have had to do the whole of the work for the past two and half years without assistance, and I trust my efforts to do so have given you satisfaction.

4. If I had received an increase in 1868 I might, after near four years additional service and the work I have now to perform, have asked for a further increase at present; I trust, however, you will be pleased to recommend an increase accordingly. I would also beg respectfully to draw your attention to the fact that I have not had any increase to my salary since September 1866.

No. 39. ORDER THEREON, 4th October 1872, No. 1,386.

Miscellaneous.

IN consideration of the increase of work thrown on the Manager by the reduction of establishment, the Governor in Council sanctions an increase to his pay of Rs. 20 monthly from 1st October 1872, to be met from savings in the current year.
