Proceedings of the Board of Revenue
dated 20th November 1872

N^o 2086
79

Read the following

From

The Superintendent Revenue Survey

To

The Secretary to the Board of Revenue

Sir,

With reference to the objection stated
in the Board of Revenue dated 9th September
1872 N^o 1181, on the contingent bill of the Deputy
Superintendent N^o 3 Revenue Survey for the
month of March 1872, I have the honor to enclose
an original letter N^o $\frac{887}{406}$ of the 24th ultimus (to be
returned) from the Officer in charge N^o 3 Survey
party for the favourable consideration of the
Board of Revenue

I have &c.

Revenue Survey Office
(Chapank
3rd October 1872

(Signed) H. B. Priestley Col
Superintendent Revenue Survey

Submitted for the favorable orders
of

of Government.

2. Under the order of Government dated 4th April 1864 N^o 561, Deputy Superintendents of Revenue Survey are entitled to mileage in addition to fixed travelling allowance when compelled in consequence of the Division of their parties, to travel from one District to another on duty.

3. Under this order Mr. F. L. Puckle, Deputy Superintendent in charge of Kud-dapah survey party, who had been fixed at Palmanair, under Government Order dated 24th October 1871 N^o 1852 Revenue Department drew a mileage of Rupees 64-8-0 for a journey by Rail from Guriattum in North Arcot to Kud-dapah, but the Board retrenched it on the ground that the travelling was not in consequence of the division of parties in two Districts. Against this retrenchment Mr. Puckle has also suggested that under the

138
Circumstances stated in his letter, orders of Government may be obtained for his travelling allowance being passed both on this occasion and in future and the Superintendent of Revenue Survey supports the request.

4. The Board consider that in as much as the Head Quarters were fixed at Palmanair in the interests of Government, Mr. Puckle is fairly entitled to the travelling allowance, and accordingly request that they may be authorized to pass it on this and on similar occasions in future.
