No. 55. ORDER THEREON, 7th October 1872, No. 1,394.

Miscellaneous.

THE Governor in Council does not approve of the proposed addition to the Coimbatore Taluq Cutcherry to provide room for the Tahsildar, and suggests for the Collector's consideration that the space on which the "Ryots' Shed" now stands be appropriated either for a Subsidiary Jail so as to leave the whole of the Cutcherry available for office purposes, or if the Subsidiary Jail be retained in the Cutcherry building, then as a site for a separate building to contain a good Court-room and retiring room for the Tahsildar and a room for the Clerks working immediately under him, so as to leave space for the Registrar in the Cutcherry building.

2. The Collector will report on this suggestion.
