No. 116. Read the following petition from RAMABHAHARA and five others, residing at Kontakuly, Pubbakhandam Village, Berhampore Taluq, Ganjam District, dated 8th August 1872 :—

ABSTRACT.—Referring to the Government endorsement on their former petition No. 1,615 of 1871, submit an order of the Collector for perusal.

State that 18 acres of land belonging to them have been unjustly included in the village of Konchur; that they are paying revenue to Government for the land.

Pray for orders to put them in possession of the said land.

No. 117. ORDER THEREON, 15th October 1872, No. 1,424.

Miscellaneous.

PETITIONERS will be informed that their rights of occupancy in the Survey No. 5 to which their putta title is admitted in the Survey Officer's decision are in no way, affected by its inclusion in the boundary of the adjoining village for convenience of survey. Their grazing rights in No. 6 are similarly unaffected.

2. The Government are, however, of opinion that the expediency of the transfer of the land in question from one village to another is very doubtful, and desire to know whether the necessary sanction for the arrangement was obtained from Government.

3. The Survey Officers have no authority under Act XXVIII. of 1860 to make such transfers for convenience of survey, as appears to have been done in the present case.
