No. 279. Read the following letter from the Officiating Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 3rd September 1872, No. 1,221 :—

THE Collector of the Kistna District, in July 1871, submitted a bill for Rupees 2,406-0-3 on account of compensation for lands taken up for Public Works and for loss of produce in that district; but as no information was given of the particular works for which the lands had been taken up, the Collector was called upon to supply the omission.

2. With his letter, No. 1,853, dated 22nd July 1872, the Collector forwarded the accompanying statement of compensations for lands, which it will be seen comprises "Irrigation works" and "Communications" having allotments provided for them from Provincial funds. As, however, the description of each class of works indicates that funds should be provided for them from "Imperial" and "Local Fund" services respectively, I beg to be favored with the orders of Government on the subject.

Vide G. O., No. 255, dated 26th April 1872.

3. I would venture to suggest that in all future applications of the nature referred to, Collectors be requested to afford particulars of works in view to appropriations of funds being given from the proper sources.

No. 280. ORDER THEREON, 20th September 1872, No. 2,231.

IRRIGATION, No. 13.

COMMUNICATED to the Revenue Department, with reference to the orders in that department, No. 116, dated 16th April 1872.

2. The sum of Rupees 2,385-7-1 shown to be due on account of land taken up for Irrigation works in the Kistna District will be charged by the Superintending Engineer of the 2nd Division to the particular works concerned; the sum due for land taken up for "Communications" will remain as a charge against "Provincial Services."

3. The necessary orders on paragraph 3 of the Controller's letter will be issued in the Revenue Department.
