The Cyclone of the 2nd
instant caused great damage
in our North Arcot plantations;
Hedges and trenches were swept
away, many large trees broken
down and on the Trevellum
Casuarina plantation above 20,000
young transplants were swept
away

away, the budget allotment
of this range will not be
sufficient to repair the damages
and carry on planting opera-
tions and the officer in charge
applies for a further sum of
Rs. 2000. I have the honor to re-
quest that you will obtain the
sanction of Government for a
transfer of Rs. 2000 from the
budget allotment of working

2. Previous to the Cyclone
the North Arcot plantations were
suffering fearfully from the long
continued drought and Mr.
Sheffield the officer in charge con-
siders that the benefits accruing
from the copious rain and the
amount of water now available
are almost a set off against the
damage.
