Proceedings of the Madras Government, Revenue Department,
18th October 1872.

No. 147. Read the following Proceedings of the Board of Revenue, dated 14th September 1872, No. 1,832 :—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 14th August 1872, No. 1,030 :—

WITH reference to the marginally-noted correspondence, I have the honour to request that the Board of Revenue will be pleased to inform me, if Government have yet sanctioned a Standard Plan for the Office of a Head-Assistant Collector, and, if so, that they will be pleased to forward to me a copy thereof, to enable me to have an estimate prepared for the Office required for the Head-Assistant Collector of this district, the erection of which was sanctioned long ago, but has been delayed, pending the adoption of Standard Plan.

2. The temporary mud building now used as an Office by the Head-Assistant Collector (though partially repaired under the estimate sanctioned in Board's Proceedings, 7th January 1871, No. 80,) is so small and ill-adapted for an Office, that the Head-Assistant Collector is, I am told, put to great inconvenience for want of proper accommodation for himself and his establishment and records. I would suggest, therefore, I would suggest that I may be permitted to call on the Superintending Engineer to prepare an estimate according to the plan lately sanctioned* by Government for a Sub-Collector's Office, the same being modified with reference to the smaller amount of accommodation required. If desired, I will submit proposals which will reduce the building to two-thirds of its size, while some of its ornamental parts can be dispensed with.

* Board's Procs., 4th Dec. 1871, No. 4,928.

SUBMITTED for the orders of Government.

2. The Board are not aware that any Standard Plan has been prepared for buildings of this kind on the West Coast.

No. 148. ORDER THEREON, 18th October 1872, No. 1,441.

Miscellaneous.

ORDERED that copy of the plan, approved in July 1869, for the Head Assistant's Office at Arconum be furnished to the Collector of South Canara as a guide in designing an office for his Head Assistant with such modifications as the circumstances of the West Coast may dictate.
