Proceedings of the Madras Government, Revenue Department,
21st October 1872.

No. 169. Read the following demi-official letter from the Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce, (Statistics,) to the Secretary to the Government of Madras, dated Simla, 9th October 1872:—

MR. FREDERICK MARTIN, Editor of a useful work, entitled the "Statesman's Year-Book," has asked for information as to the results of the recent Census for embodiment in the edition for 1873. The Viceroy wishes us to give what aid we can, but as it is not likely that the combined results will be received by the Government of India in time to be of any use to Mr. Martin, I am to ask you, if possible, to send him the general results for Madras direct. The totals and chief divisions as to age, sex, and religion, would probably be quite sufficient. Mr. Martin's address is 29—30, Bedford Street, Covent Garden, London.

No. 170. ORDER THEREON, 21st October 1872, No. 1,452.

Miscellaneous.

COMMUNICATED to the Board of Revenue for attention in due course.
