Revenue Department.

No. 1460 21 Oct 72.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read ~~the following letter~~ Budget Estimate for 1873/74 of the Govt. Quindagiet dated 15 October 1872.

Order thereon.

Rs 21,264 Actuals for 1871/72
Rs 26,811 Grant for 1872-73
Rs 22,215 Estimate for 1873-74

The Quindagiet Budget Estimate of charges for 1873/74 amounts to Rs 22,215 against Rupees 21,264, the Actuals for 1871/72 & Rs 26,811, the Estimate for 1872/73

2. The charges are divided under four Heads viz.

Quindagiet	Rs 10,210
Establishment, including Contingencies	2,795
Manufactory at Cotacamund	1,000
" at Neddivattum	8,210
	Rs 22,215

3. The first & second items call for no remarks

and

amid are passed

4. The third item depends, it is observed, on the Quinologist obtaining a supply of the bark of C. Officinalis - and it is doubtful whether the entire sum of Rs 1000 will be required during the year.

5. The charges connected with the Manufactory at Peddevratty, though less than the grant appear to be susceptible of reduction under the heads of Spirit and Lime - the Expenditure upon which did not exceed Rs 671 in 1871-2 - and under Repairs to buildings - for which a sum of Rs 500 has been provided in the Budget for the current year.

6. Allowing for savings the Governor in Council resolves to fix the charges connected with the Quinologists Dept for 1873-74 at Rs 22,000.

Rs 1,600

7. It will be pointed out to the Quinologist that the following items do not find a place in the Estimate for 1872/73 and ~~ought to~~ should have been entered upon ~~the Estimate for~~ this year from 1871-72.

Rs 540 - For Coolies under Manufactory at Catacamund.

Rs 2,100 - Adapting Convict Jail to a Manufactory at Peddivattum

Rs 1000 Wood work and various fittings at Ditto -

8. The Estimate will be corrected and sent to the Accountant General for inclusion in the General Civil Budget.
