Proceedings of the Madras Government, Revenue Department,
23rd October 1872.

No. 201. Read the following Proceedings of the Board of Revenue, dated 11th October 1872, No. 2,002 :—

Read the following letter from the Honourable D. ARBUTHNOTT, Officiating Collector of Madras, to the Secretary to the Board of Revenue, dated 16th September 1872, No. 171.

I HAVE the honour to bring to the notice of the Board the small pay drawn by the Peons of my Office. There are only four Peons, and they have to do the work of Moochee, Attender, and Messenger. They have frequently so much out-of-door work that at times not one is available in the Office. Their pay is now 7 Rupees each, and considering the work they have to do I strongly recommend their pay being raised to 8 Rupees each.

SUBMITTED for the favourable consideration of Government.

2. The Board observe that out of the 4 Peons attached to the Madras Deputy-Collector's Office, two get 8 Rupees each, and they think it is not desirable that the Collector's Peons should get less pay. In other districts more than half the number of the Collectors' Peons get 8 Rupees.

3. If this proposition is approved the extra cost to Government will amount to 48 Rupees per annum which will be provided in the ensuing year's Budget. For the current year the cost can be met from the savings under Land Revenue.

No. 202. ORDER THEREON, 23rd October 1872, No. 1,468.
