Sir,

I beg to state that I re-joined my duty from my last leave on the 24th August 1870. I have not since taken any other leave except the casual leave which you were so kind as to grant me in May last on account of the death of my mother -

I beg to state that I have compensated for this casual leave by working hard during the last Christmas & Easter Holi Days -

It is true that I went to Trichinopoly in Nov. 1870 & re-joined at the end of April 1871 -

It is also true that I had to

land & 120 miles by rail - Excluding the return journey, I had to travel 46 miles by land & 240 miles by rail and I required 2 days preparation time for each journey -

2. During my absence on the above two occasions, no body acted for me - and I had myself to dispose of the whole work that had accumulated against me -

3rd. I worked hard during the Christmas holi Days in 1871 - & the Easter in 1872 -

4th I beg you will kindly take all this into your favorable consideration -

I have the honor to be
