Remarks

Land Revenue Current.

- Increase attributed to the fact that the demand for the year was higher than the previous year.
- Increase due to the more punctual realization of the demand.
- Increase due to the punctual collection of peshkars from the Peshkars & Muhammad Zamindars.
- Decrease attributed to failure of crops which in Chingleput was occasioned by the late Cyclone.
- Decrease due to non-punctual payments by certain Zamindars.
- Decrease partly due to the suspension of demand in those Taluqs which suffered from the adverse season & partly to the Peshkars having fetched lower rents than last year.
