Proceedings of the Madras Government, Revenue Department,
30th October 1872.

No. 287. Read the following Proceedings of the Board of Revenue, dated 25th October 1872, Miscellaneous No. 7,151 :—

Read the following letter from the Acting Collector of Madura, to the Secretary to the Board of Revenue, Madras, dated Madura, 7th October 1872, No. 292.

I HAVE the honour to state that the Tumkum referred to in Government Order dated 16th February 1871, No. 289, Revenue Department, requires certain urgent repairs to make it habitable, and I have therefore caused an estimate, amounting to Rs. 180, to be framed for the execution of these repairs, which I beg to submit herewith for sanction. There is now a sum of Rs. 3,317-1-7 to the credit of the bungalow.

2. The bungalow was last repaired under orders of the Board, dated 22nd November 1870, communicating Government Order of the 18th idem, No. 1,802, Revenue Department.

3. I propose to let it from the 1st instant to Captain Cloeté of the Revenue Survey, who has been warned that he must be prepared to vacate the house as soon as the repairs directed to be executed in Government Order quoted in paragraph 1 are commenced.

THE repairs may be executed out of the rent in deposit in anticipation of the sanction of Government.

No. 288. ORDER THEREON, 30th October 1872, No. 1,508.

Miscellaneous.

ASSUMING that the repairs are absolutely essential for the safety of the building, the Governor in Council approves their execution from the accumulated rents. Otherwise no expenditure should be made on repairs which will probably form part of the estimate under preparation in the Department Public Works. The Government have already decided that the building is not to be occupied by the Survey Department.
