To be debited against the General Grant under 9, "Salt."	ITEM No. 1.—Necessary in the case of Deputy-Collectors in charge of the Salt Department. These officers have constantly to travel over long distances at all seasons of the year, and as their work lies in sandy, shelterless, and inhospitable tracts, they have to carry tents everywhere, the wear and tear of which is considerable. In December 1868 the Government sanctioned this increased rate of Rs. 3 per diem in the case of the Nellore Salt Deputy-Collector; and this sanction, which was reported in the statement of charges for that month, was confirmed by the Government of India in their Financial Proceedings, 17th April 1869, No. 61.

Mr. Ferguson, attached to this plantation, has been hitherto drawing Rs. 300 as salary and Rs. 60 as travelling allowance. By his being now placed in the 4th grade under the new organization, his salary should properly be reduced to Rs. 250, with fixed Travelling allowance of Rs. 150; but as this will affect his pension and absentee allowances, Government orders that his old rate of *pay proper* shall still be retained, a corresponding reduction being made from the travelling allowance.	ITEM No. 2.—*Vide* Accountant-General's explanation in the preceding column.
3	23rd do.	1,246	Revenue Department, Madras Presidency. To be debited against the General Grant under 4, "Land Revenue."	ITEM No. 3.—Sanctioned as a special case Messrs. Pritchard and MacGregor are in charge of general duties which involve much marching, and being unable to avail themselves of the facilities for lodging, possessed by the Native Deputy-Collectors of the same class, are obliged to provide themselves with tents.
