- Remarks.*
Land Revenue, Current.
- A. The increase is due to the more prompt realization of the land revenue. The early closing of the accounts for March 1872 was an additional cause of increase in Tanjore.
- B. Decrease due to failure of crops.
- C. Decrease attributed to certain zemindars not having paid their kists for March & April 1872.
- D. The decrease is partly due to the Devarcotta zemindars having again fallen into arrears and partly to irregular payment of kists by the Taluk & Walloor zemindars.
- E. Decrease due to taluk & village officials having been engaged in Sanmabandi work.

Remarks.

Land Revenue Current.

- The increase is due to the more prompt realization of the current revenue. The early closing of the accounts for March 1872 was an additional cause of increase in Tanjore.
- Decrease due to failure of crops.
- Decrease attributed to certain zemindars not having paid their kists for March & April 1872.
- The decrease is partly due to the Devanacotta zemindar having again fallen into arrears and partly to irregular payment of kists by the Vallor zemindars.
- Decrease due to taluk & village officials having been engaged in Sammamandy work.
