Proceedings of the Madras Government, Revenue Department,
15th November 1872.

Read the following papers :—

No. 89. From RAJAH VELUGOTI COMARA YACHAMA NAIDU, Bahadur, C.S.I., Puncha Hazar Munsubdar, Rajah of Vencatagiri, to the Chief Secretary to Government, Fort St. George, dated 13th November 1872.

Most Humbly Sheweth,

In acknowledging the receipt of your telegram dated 12th instant, I deeply regret to inform your honour that it caused in me no little uneasiness and discomfort.

2. On communicating to Government, through the Collector of Nellore, that my third son had recruited his health, that I was prepared to send him to Bobbili, that as he was timid I proposed to send my sister with such of my people who were more familiarly acquainted with him, such as servants, cooks, and native physicians who were cognizant with the nature of his constitution, that the Ranee of Bobbili should allow them to remain with the young Rajah till he permits them to return, that as a formality Ranee's relations should come and take my third son, and having obtained the sanction of Government, I sent my son away to Bobbili, accompanied by my sister, though her husband was dangerously ill, and my people. While such is the case, I deeply regret to find that the Government have viewed upon all my proceedings as an obstruction to the journey of the Bobbili party.

3. Inasmuch as the husband of my sister died, and having received intelligence that she sternly refused to go, I sent my Dewan to reconcile and send her to Bobbili with my son, and this fact has been intimated to the Collector through the Deputy-Collector. As the Dewan did not succeed in making my sister consent to go, I wrote to the Collector again, requesting him to intimate the same to your honour that I will make my mother-in-law, residing at Sanivarapetta adjacent, to follow. And lest she also may refuse, and considering the journey may be delayed, I have sent my aunt from here, in lieu of my sister, to go to Bobbili with my son, with instructions to join Bezwada forthwith.

4. Before receiving your telegram I have this day, morning, sent a telegram to your honour's address, soliciting that orders may be issued to the Bobbili party to remain till my aunt joins them.

5. In this manner while I am candidly assisting in the journey of the young Rajah, I am grieved to find that the Government have considered it an obstruction to the journey. I beg the Government will positively believe that no obstruction has been or will be caused by me to the Bobbili party.

6. But I beg to draw your honour's attention specially to the fact that my third son is a most timid character, that it will take ten days nearly for my aunt to reach Bezwada, and that on these the Government will order the Bobbili party to wait, and take my aunt with the young Rajah to Bobbili.

7. In conclusion, I beg of your honour to order the Bobbili party, with the sanction of Government, to wait as solicited in paragraph 6, and favour me with a reply giving me encouragement and relieving me from the abyss of sorrow, in which I am plunged.

Awaiting early orders, I beg to remain, etc.

Memo for orders.

The Rajah of Venkatagiri — to whom copy of the Telegram passed in last Council was furnished — has sent a special messenger with this letter, in which he conveys the assurance that he never meant any harm —

We have now the Collr's telegram that the misunderstanding has been arranged & that the Boy goes forward to Bobbili on Sunday next; and I suppose the Govt will not intervene to promote the further delay suggested by the Rajah — who on the excuse or another has already detained the boy's progress so long —

I would do tell the Rajah that Govt cannot sanction
