Proceedings of the Madras Government, Public Works Department, 22nd November 1872.

No. 362. Read the following letter from the Officiating Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Madanapalli, 16th August 1872, No. 1,071 :—

WITH reference to G. O. No. 62 (Miscellaneous) dated 6th instant, I have the honour to observe that the anicut across the Toongabuddra near Kurnool was constructed by the Madras Irrigation and Canal Company. I doubt not that the officers of the Company will be glad to furnish the required information to the Collector, if applied to.

2. In the districts noted in the margin of the Sanitary Commissioner's letter, "Bellary" has been omitted. I have, however, written to the Officer in charge of Hospett Range to supply the Collector of Bellary *direct* with the required information in connection with the anicuts across the Toongabuddra river in that range.

No. 363. ORDER THEREON, 22nd November 1872, No. 2,750.
