Proceedings of the Madras Government, Revenue Department,
20th November 1372.

No. 131. From the Secretary to the Board of Revenue, to the Chief Secretary to Government, Revenue Department, dated Madras, 10th September 1872, No. 1,798.

I AM directed to submit the following observations on the draft of Rules under Section 18 of Act XXVI. of 1871, prepared by the Secretary to Government of India—

2. The minimum amount of loan to be granted under the Act should be prescribed in the Rules. The Board would fix it at Rupees 100.

3. The procedure of Rules IX. to XIII. is unnecessarily complex for cases in which the loan is small. If, for instance, a loan of Rupees 200 is granted for digging a well, a Revenue Inspector or a Taluq Gumastah could do all that has to be done at the spot. It would be a waste of the time of a well paid officer to send a Tahsildar there.

4. The Rules give Collectors power to sanction loans up to Rupees 500. The Board doubt whether this is expedient.

SIR,—Referring to your letter of 5th August 1872, forwarding for consideration draft Rules to give effect to the Land Improvement Act, I am directed to state that this Government is of opinion that the Rules should prescribe a minimum amount of loan to be granted. The Board of Revenue observe and this Government agree with them in thinking that the delegation of an officer of the rank of Tahsildar to conduct the inquiry under Rules 9 to 13 is altogether unnecessary in cases when the loan is of small amount.

I have the honour to be,
Sir,
Your most obedient servant,

Acting Secretary to Government.
