FROM

THE SECRETARY, LAWRENCE MILITARY ASYLUM COMMISSION,

To

THE SECRETARY TO THE GOVERNMENT OF Madras.

Dated SIMLA, *the 2nd July* 1872.

SIR,

I HAVE the honor to request that you will, with the sanction of request the officer, lately employed in taking the census of your Province, to furnish me with a tabulated Statement showing the European and Eurasian population, with details of men, women, and children.

Mr. Gover of Madras has been good enough to send me such a return for the town of Madras itself, but the Statement I am now asking for should show the population, European and Eurasian, of the Presidency towns, as well as of the Province. It might be in the annexed Form :

	EUROPEAN.				EURASIAN.				TOTAL.			
	Men.	Women.	Boys.	Girls.	Men.	Women.	Boys.	Girls.	European adults.	Eurasian adults.	European children.	Eurasian children.
Town of Madras ..												
Presidency of ..												
TOTAL ..												

If Military effectives are returned with the Civil population, it would be as well to show in a note the strength, respectively, of Military men, women, and children.

It is necessary that I should obtain this information with as little delay as possible, and the return is itself so simple that you will perhaps permit the Census Officer to forward it to me direct, and, if possible, within the present month.

I have the honor to be,

Your most obedient Servant,

A. J. LAWRENCE,

Secy., Lawrence Mily. Asylum Commission.
