Proceedings of the Madras Government, Revenue Department, 26th January 1872.

Read the following papers:—

No. 314. Proceedings of the Board of Revenue, dated 31st May 1871, No. 2,203.

Read again Board's Proceedings, dated 30th July 1867, No. 4,888.

Read also the following letters:—

From the Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Cuddalore, 2nd November 1870, No. 292.

I HAVE the honour to submit a revised statement in the prescribed form of Inam and Shrotriem lands taken up for public purposes, and which have become unfit for cultivation owing to causes beyond the control of the holders, in lieu of the statement returned by the Board with their Proceedings of 30th July 1867, No. 4,888, and I request sanction for the grant of compensation as proposed in the statement now submitted.

2. The above statement contains cases of old standing, some so far back as twelve years, and on comparing the present with the old return I observe several cases are omitted in the former for which explanation has been called for, and will be submitted if necessary, as it does not seem advisable to delay longer the submission of this return. The statement contains all cases brought to notice up to Fasli 1279.

3. The following table will show the total lands lost and the compensation proposed :—

Table.

4. It will be seen that there are acres 8-18-0 of land entered as unprofitable, owing to the total unproductiveness of the soil. These lands belong to Taliaries and Vetties, who are rendering important services to the State with very trifling emoluments. The smallest loss to these people is of course severely felt, and I have therefore proposed the substitution of fresh land, and I trust the Board will sanction the arrangement as they have done in the case of the Taliary of Vikravandy—*Vide* Proceedings of the Board of Revenue, dated 14th September 1870, No. 830.

5. I beg also to enclose a statement showing the amount of quit-rent payable upon the personal Inam lands taken up for public purposes, and for which money compensation is proposed. I think the total sum of Rs. 9-9-2 might be permanently reduced in the fixed Inam quit-rent, as the land in these cases is not in existence, nor are other lands available in exchange.

6. The statement is necessarily somewhat bulky from its very character, and the same cause has led to the delay in its submission.

Enclosures Nos. 1 and 2.—Statements.

From the same Officer, dated Cuddalore, 7th February 1871, No. 36.

In reference to a claim for additional compensation advanced by Kristnamachari, the holder of the Inam entered in Case No. 26 in the statement submitted to the Board with my letter No. 292 of the 2nd November last, for granting compensation in lieu of certain Inam lands taken up for public purposes, I have the honour to enclose copy of a letter from my Sub-Collector, No. 34, dated 26th January 1871, and to request sanction for the payment to Kristnamachari of Rs. 14-12-3 as therein recommended, being the full assessment only for Faslis 1274 to 1280 of the above land.

Enclosure No. 1.

From the Sub-Collector, to the Collector of South Arcot, dated Virdachellum, 26th January 1871, No. 34.

In answer to your official memorandum (enclosure herewith returned) No. 1,099 of 4th November last, requesting to report what amount of compensation should be given to Kristnamachari for the loss of his personal Inam, I have the honour to inform you that the land alluded to was taken for tank-bed in 1865, and remuneration by grant of fresh land was recommended by Mr. Hathaway—*Vide* statement dated 5th September 1868, copy enclosed, but no sanction is as yet received. The Inamdar, therefore, requests that the full rate of assessment on 94 decimals lost by him, namely, Rs. 15-10-3, for seven Faslis, from Fasli 1274 to 1280 inclusive, may be paid to him. Since fresh land has not been granted to him as yet I consider that the sum of Rs. 14-12-3 is due to him, as the sum of 12 Annas, being quit-rent on the land lost, has not been paid by him from Fasli 1278 to 1280.

Enclosure No. 2.—Statement.

SUBMITTED for the sanction of Government.

2. For acres 192·38, assessed at Rs. 539-6-2, taken up for public purposes it is proposed to grant compensation as follows:—

(1.) A fresh assignment of acres 216·26, assessed at Rs. 513-10-7, subject to an additional quit-rent of Rs. 97-12-5.

(2.) Reduction of quit-rent Rs. 54-9-9.

(3). Money-compensation Rs. 958-11-3. Of this sum the Board sanction payment from the District Road Fund Reserve of Rs. 580-1-0, due on account of land taken up for roads. The remainder, Rs. 378-10-3, is payable on account of land taken up for irrigation works.

3. As regards the Religious Service Inam in Yellary of the Chellumbrum Taluq, for which it is proposed to grant Rs. 354 money-compensation, the Collector is requested to report (1) the nature of the service; (2) whether the grant of money-compensation will injure the community benefiting by the service; and (3) why an assignment of revenue on cultivated land cannot be granted. Pending the receipt of information on these points the Board decline to support the Collector's recommendation in this case.

4. In lieu of acres 33·46, assessed at Rs. 65-14-4, Village Service Inams rendered unprofitable from causes beyond the Inamdar's control, it is proposed to grant a fresh assignment of acres 41·17, assessed at Rs. 69-1-6, subject to a quit-rent of Rs. 3-3-3.

Proceedings of the Madras Government, Revenue Department,

ABSTRACT.—Statement of remuneration on land, or otherwise, proposed to be given to Inamdars in lieu of the Inams which have become unprofitable from causes beyond the Inamdar's control, or by some act of Government in the district of South Arcot.

---

1. The Board observe that, in many of the cases included in the foregoing Statement, although the extent of land for which compensation is claimed is less than an acre, no money compensation appears to have been proposed as ruled in paragraph 3 of the Board's Circular Order, No. XVII. of 1866.

2. In several cases also, the Inam is described as "Personal;" but it is not stated whether it has become unprofitable through "some act of Government," on which condition alone can compensation be claimed, according to paragraph 4 of the Circular Order above mentioned.

3. The Statement will be returned for revision with reference to the foregoing remarks.
