*Proceedings of the Madras Government, Revenue Department,
22nd November 1872.*

No. 167. Read the following Proceedings of the Board of Revenue, dated 29th October 1872, Miscellaneous No. 7,210 :—

Read Proceedings of the Madras Government dated 21st September 1872, No. 1,344, passing orders on Board's Proceedings submitting application from Collector of South Canara for one Clerk for Assistant Collector.

WHEN Collectors' Establishments were revised by the Hon'ble Mr. Pelly, one Clerk, on a salary of Rs. 20, was allotted for one Assistant in each district, and Government subsequently ruled that, if in any district more than one Assistant should be appointed, an additional Clerk, on a salary of Rs. 35, should be appointed temporarily during the employment of that Assistant in the district. Mr. Thomas now complains that one Clerk is insufficient for his Assistant.

2. The Board consider that two Clerks for each Assistant are absolutely necessary after they have obtained 1st-class magisterial powers. Apart from the quantity of the work which also the Board believe requires the assistance of two Clerks, it is necessary that there should be one to do the work when the other is obliged to be absent on grounds of ill-health, or for other reasons. They are further of opinion that the salary of the Chief Clerk attached to the Assistants must be respectable, as it is desirable that he should be a well qualified and experienced servant, since the Assistants spend a considerable time, after joining their appointments, in qualifying for their important duties. In the opinion of the Board two Clerks for each Assistant, one on a salary of Rs. 40 and the other on a salary of Rs. 20, are called for; but when there are two passed Assistants in the same district, the Collector will be relieved of so much work that he will be able to spare one of the Clerks from his own Office.

For an unpassed Assistant, who has not obtained 1st-class magisterial powers, a single Clerk, on Rs. 40, will be sufficient.

No. 168. ORDER THEREON, 22nd November 1872, No. 1,605.

Miscellaneous.

THE Board of Revenue will submit a tabular statement in the prescribed form, showing the probable additional cost to the State, and explain how they propose to provide funds to meet the charge during the remainder of the current official year.
