Proceedings of the Madras Government, Revenue Department,
21st September 1871.

No. 253. Read the following Proceedings of the Board of Revenue, dated 4th September 1871, No. 3,800 :—

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 5th August 1871, No. 201.

As directed in Miscellaneous Memorandum No. 2,602, communicated with the Proceedings of Madras Government, Revenue Department, 11th July 1871, requesting a report whether the transfer of revenue and magisterial jurisdiction of the Coimbatore Talook from the Head Assistant Collector and Magistrate to the Collector would necessitate the provision of an office for the Head Assistant Collector at Pollachy, I have the honour to state that, as there exists no public accommodation at Pollachy for an office, one would have to be built, should it be determined that Pollachy should be the head-quarters of the Head Assistant Collector.

2. Pollachy would be preferable to Pulladum, the cusbah of the other of the Head Assistant Collector's talooks, being a larger and more important place as regards trade, and a better climate, besides being near Anamalay (population 10,445), the second largest town in the district. Until a Cutcherry be built I presume that it will not be requisite that the Head Assistant Collector should permanently remove there, and in this case he might be continued in charge of the Coimbatore Talook, otherwise he would be residing out of his charge.

	Population.
Pollachy	2,824
Pulladum	638

3. Should Pollachy be decided on as the head-quarter of the Head Assistant Collector's division, a site will be selected, and the Department of Public Works will be requested to prepare a plan of a Cutcherry for that officer.

SUBMITTED to Government, with reference to Government Order dated 11th July 1871, No. 1,192.

2. The Board are of opinion that an office and a dwelling-house (for which rent would be paid) should be built at Pollachy, and that, until they are built, the Head Assistant Collector's head-quarters should continue to be at Coimbatore.

No. 254. ORDER THEREON, 21st September 1871, No. 1,634.

Miscellaneous.

ON reconsideration the Government doubt whether necessity exists for modifying the Head Assistant's charge merely because it includes talooks in both Local Fund Circles, and resolve therefore to allow matters to remain in this respect as formerly.
