No. 329. Proceedings of the Board of Revenue, dated 11th December 1871, No. 4,989 :—

Read the following Proceedings of the Madras Government, dated 21st November 1871, No. 1,978, Revenue Department :—

ABSTRACT.—*Revised Land Customs Establishment of South Arcot.*—Proceedings Board of Revenue, sanctioning arrangements for its efficient working, approved. Board to submit Tabular Statement for increase for submission to Government of India.

THE recommendations contained in the Board's Proceedings recorded in the above Government Order involved an increase of only 30 Rs. per mensem to the present Land Custom Establishment in South Arcot. This amount is the pay of a Clerk proposed to be newly entertained under the Head-Assistant Collector for doing the Land Custom work.

2. In the same Proceedings a recommendation was made to increase the pay of the Superintendent of Thukanumbakum station from Rs. 30 to 50, and to effect a corresponding reduction in that of Valdavur. But this latter recommendation the Board have since withdrawn in their Proceedings dated 30th October 1871, Miscellaneous No. 3,839, which has been recorded in a separate Government Order dated 14th November 1871, No. 60.

	Rs.
Pay of a Clerk under the Head Assistant Collector	30
Increase to the pay of the Superintendent of Thukanumbakum	20
	50 per month.
	600 per annum.

3. The actual increase proposed in the Land Custom Establishment will therefore now amount to Rs. 50 per mensem, or Rs. 600 per annum. The Tabular Statement required by Government is accordingly prepared and submitted herewith.

4. If the Government approve of these proposals, Rs. 10,800, entered in paragraph 38 of the Board's Proceedings dated 24th October 1871, No. 4,473, (in the Budget of charges for 1872-73) should be corrected into Rs. 11,040.

THE SECRETARY TO THE GOVERNMENT OF INDIA,

SIR,—With reference to your Under-Secretary's letter dated 23rd June 1870, No. 1,532, I am directed to forward herewith copy of the Proceedings of Government dated 21st November 1871, No. 1,978, showing the results of the increased Land Customs Establishment employed on the South Arcot frontier.

2. The collections during the twelve months ending 31st August last amounted to Rs. 99,891-10-6, or Rs. 9,000 more than was ever collected before, and, as the Board of Revenue remark, the results have fully justified the increased expenditure sanctioned by the Government of India.

3. I am also directed to submit, for the sanction of the Government of India, an application in the prescribed form for a further increase to the establishment strongly recommended by the Collector and the Board of Revenue. The increase consists in the employment of a Clerk on Rs. 30 per mensem in the Office of the Head Assistant Collector, and the raising of the pay of the Superintendent at Thukanumbakum from Rs. 30 to Rs. 50. The work of the Head Assistant's Office has become very heavy in consequence of the close supervision of the Land Customs Department by that officer, which has of late been found necessary, and it is very desirable that the Superintendents should be kept above temptation. I am therefore to request that sanction may be accorded for the additional outlay of Rs. 50 per mensem. The extra cost will be met from savings in the Budget provision under the general head "Customs."

4. The proposal made by the Board in paragraph 8 of their Proceedings dated 9th October 1871, No. 4,327, to meet the increase to the pay of the Superintendent at Thukanumbakum by a corresponding reduction in the salary of the Superintendent at Valdavur is the result of a misapprehension of the Collector's letter, and they have since withdrawn it. The Collector is strongly opposed to the reduction of the pay of the latter Superintendent, which is only 50 Rs. a-month.

I have the honour to be,
Sir,
Your most obedient servant,

(Signed) W. HUDLESTON,
Secretary to Government.
