N^o 1564

28th August 1872.

From G. Barbury Esq^r
Director of Revenue Settlement.

To J. Lyrose Esq^r
Secretary to the
Board of Revenue.

Sir,

In reference to Board's
Proceedings of the 25th Ultimo N^o 114,
I have the honor herewith to submit
a statement, in the usual form, pro-
-posing the transfer of certain lands
from the Village of Mudivide in the
Muddenpully Talug, to that of Tarigonda
in the Voilpad Talug of the Cuddapah
District. According to the ruling con-
-tained in Board's Proceedings dated

22^d December 1868 N^o 9001, the water-
spread of the tank should be
transferred to the village in which
the land cultivated under it is situated;
but if that be done in the present
instance, the boundary between the two
Taluggs would become irregular and
tortuous. I therefore, concur with the
Collector, in thinking that it would be
preferable, in this case, to make over the
Ayacut under the tank to Mudinidu in-
stead of the tank to Tarigonda, and to
request that, with the Board's approval,
the sanction of Government may be obtained
to the arrangement in accordance to G.O.
9th February 1864 N^o 244-

2. I also enclose a sketch showing
the position of the tank and lands, and
the manner in which the boundary would
run if the former be transferred to
Tarigonda.

I have &c
(Signed) L. Banbury.
Director of Revenue Settlement.

The result will be an alteration of the Salug boundary as shown in sketch appended.	There is no objection to the transfer except that it involves the boundary being irregular. This might be avoided by making one the tank & its Ayacut to be transferred. W. M. to be transferred.

PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 25th October — 1872.

Read letter from the Director of Revenue Settlement dated 28th August 1872 No 1564⁵⁶ recommending the transfer of certain lands for Tarigonda in the Voilpud Taluq to Mudivide in the Madanapalli taluq of the Gudur District.

Submitted for the orders of Government.
The Board in their Proceedings dated 22nd December 1868 No 9001 sanctioned the proposal of the Collector of Gudur District that the water spread of a tank should as a rule be demarcated as part of the village to which the "ayakat" watered by the tank belongs. Adverting to this rule it was proposed by the Deputy Director Revenue Settlement to transfer acres 49.30 in the bed of the Inimbeg tank in Mudivide of the Madanapalli Taluq to Tarigonda of the Voilpud Taluq. To this proposal the Collector objects that it would make the Taluq boundary irregular and suggests the transfer of the Ayakat of the tank from Tarigonda to Mudivide.

The

The Director Revenue Settlement concurs.

The Board consider the original proposal preferable. The objection raised by the Collector is not of much consequence and the transfer suggested by him involves a splitting of the village of Fariganda which would cause considerable inconvenience to the owners of the land under the tank many of whom would hold puttahs in two villages and be subject to the jurisdiction of two Tahsildars.

A draft Notification in accordance with the transfer originally proposed is submitted.
