Proceedings of the Madras Government, Revenue Department,
26th January 1872.

No. 331. Read the following Proceedings of the Board of Revenue, dated 9th January 1872, Miscellaneous No. 256 :—

Read the following letter from the Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 9th December 1871, No. 3,480.

In accordance with the Board's Proceedings No. 4,055, dated 21st September 1871, Chonba Ramaprasad, Salt Superintendent at Manginapudi Station, was directed to retire from the service from 1st December 1871, he having passed the age of fifty-five years. I now have the honour to forward, for the favourable consideration of the Board and Government, his application to be allowed to serve for two years more in order to be entitled to a one-third pension, or that a portion of his service in grades ineligible for pension may be allowed to count as service for pension.

2. The petitioner has served Government faithfully for forty years, but the portion of his service towards pension amounts to only thirteen years, and I am of opinion that his case is deserving of consideration.

3. I also enclose a printed copy of his testimonials, etc., which he has submitted with his petition.

As the Collector recommends the application, and the applicant's good services are certified by so many officers, the Board resolve to submit it for the favourable consideration of Government.

No. 332. Order thereon, 26th January 1872, No. 166.

Miscellanous.

Assuming that the Acting Collector's recommendation may be accepted as proof of C. Ramaprasad's physical and mental fitness for further employ, which should, however, have been expressly stated, as well as his age which is omitted, but which on reference to the list appears to be fifty-five years, the Government sanction his retention in office for two years as proposed.
