such circumstances
an immediate change
is imperative, & it
also seems that under
existing circumstances
treatment is all but
useless. I predict
that the final thing
likely to do good is
change - leaving
the place where all
this trouble seized
him. I sincerely

hope you will soon
obtain this, & that
your next news will
be more cheering -
Mr. Ferguson must
of course knock off
all work - it is
madness to attempt
it in his case -
With kind regards
