No. 487.

Official Memo.

The Assistant in charge of the Forest Central Office has the honor to acknowledge the receipt of Official Memo No. 174, dated 20th Instant from the Under Secretary to Government R. D. and in reply begs to state that agreeably to the Orders conveyed in para 3 of G. O. dated 11th April 1870. No. 502, Rupees 33,100 embezzled by Overseer Turnbull in Wynnaad and Rs. 1545-9-11 found deficient in the Madurai District were brought into the accounts of these Forests pending the result of his trial. The amounts were however written off to "Profit and Loss" in accordance with G. O. dated 21st February 1871

No.

N^o 326, as no probability existed of recovering the sums, though Oversee & Turnbull was tried and convicted. Hence it was deemed requisite to strike off the amounts in question from the Stock Value exhibited in the closing balance of the Timber accounts of the Wynaud and Madura Ranges for the Off^l year 1870-71.

2. The loss of Timber adverted to in the foregoing paragraph does not relate to the Financial transactions of the Off^l year under report, as rightly observed by the Under Secretary to Gov^t in the concluding para of his Memo under reply; it should therefore have been altogether omitted, as particularized below from the Stock of Timber exhibited at the commencement of the year 1870-71. 3. It will be thus seen that the net surplus of Timber valued @ Rs. 24,437. 5. 3, which added to the Financial Results shown in the Annual Accounts of Forest Revenue for the year 1870-71, will amount to Rs. 69,339. 8. The latter should be taken as the correct sum, in lieu of the item of Rs. 34,693. 14. 1, as net Revenue of the year under report.

4. A Revised Return is herewith forwarded which will, it is hoped, be found correct.
