Not to be folded or roughly handled

His Excellency the Right
Honorable the Governor
in Council, Fort Saint George

The humble memorial
of Tydala Venkata Ramayya
a Vernacular Accountant
in the Collectorate of ...
Humbly sheweth

That the humble memorialist
having passed an examination similar
to the General test now laid down
for the examination of Civil Servants so far
back as in 1857 in pursuance of the
Government Notification of 23rd May
1857 published at page 502 of the
Official Gazette of that date, the same
having been conducted by Mr. Taylor
the then Collector of the District he
was appointed to a permanent post of
a Clerk in the General Deputy Collector's

offus on the 15th September 1859 previous
to this he having held a seat of 100 Rs
and as his appointment is for a period
of 3 years.

That the humble memorialist
having now a seat of 100 Rs a salary
applied to the Collector of the District
for a promotion to an appointment of
200 Rs value at least his present salary
being 100 Rs as only 100 Rs per annum.
But the Collector refused or else that as
the memorialist is not a passed Candidate
he cannot be appointed to any post.

On March 1858 the humble memo-
rialist was appointed as Acting Head
Quarantine in 200 Rs in the District
as the rules requiring passed Candidates
for appointment of 200 Rs were not
then put into force in the District and
as the District was a new one had to be
allowed to act his incumbent. And on
the 1st of June the humble memorialist
was appointed as Acting Salary Master
of the District for a period of 6 months
the salary of that appointment being 200 Rs

5. Having held as he has done a
appointment to during the District
the humble memorialist has acquired
a very fair knowledge of all the work
in the Vernacular Department of the
Collectorate both in the District
the District and though he is quite willing
to pass any of the special tests in the
Vernacular, his knowledge of English
language being nil. He is deterred
from so doing as he did not hold any
permanent appointment in the District
1859 nor passed the General test there
down in accordance with the rules
now in operation.

6. To obtain the opinion of the Commission
for the unoccupied Civil Service Examination
on the subject the humble memorialist
applied to the Secretary to that office
who endorsed his opinion in the following
terms: "The Commission think the Govern-
ment would not object to exempt him
from papers the General test and to permit
him to pass through the medium of English
each of the special tests as can be taken

in the "Memorial" and directed the
Memorial to apply to Government through
the Chief Secretary for the grant of
the privilege. The Commissioner's endorsement
was not only in herewith submitted for the
information of His Excellency the Governor
in Council.

In consideration of the humble Memorial
being passed through the ordeal
as far back as 1857 which was also
acted upon by Government in accordance
with the order then in force, and no
action was taken.

Further and in the face of several late
Ministerial papers he trusts that His
Excellency the Governor in Council will
not fail to perceive that it is a piece
of injustice to refuse the humble Memorial
to be required to pass the distance more
and to be disappointed of promotion to
an appointment of so high value even.

The Memorial question has passed
the Memorial for papers thereat
and the pamphlet published by the

Collector requiring candidates to
appear for examination & the copy of
the Certificate of his having passed &
not unsuccessfully, are also herewith
submitted for the information of His
Excellency the Governor.

I having laid, as he has, an epitome
of the whole case in connection with the
Memorial to his career as a public servant
he now begs that His Excellency will be
graciously pleased to exempt him

from having the General Test in re-
sponse to the same.
Thus remove the obstacles in the way of
his promotion and add to an already
passing through the ordeal of the
of the Special Test as can be taken up
in the Memorial.

The humble Memorialist as in
duty bound shall ever pray.

Tellur
Agent
1872

I beg to remain
